The screenshot displays the 'tend' application interface for managing agricultural locations. The top navigation bar shows the 'tend' logo and the current view 'Locations'. A sidebar on the left provides navigation options under 'PLAN & GROW', 'PICK & SELL', 'LEARN', and utility icons for 'Walkthrough', 'Setup', 'Help docs', and 'Settings'. The main content area is titled 'Locations' and includes a 'Site' dropdown menu currently set to 'Porrau'. Below this, there are sections for 'Fields' and 'Orchards'. The 'Fields' section lists five entries, each with a small satellite image and a 'Google' link:

- Broadwiese 3. ... (17 beds - 0.16 hectares)
- Broadwiese P 01 (20 beds - 0.06 hectares)
- Broadwiese P 02 (21 beds - 0.06 hectares)
- Broadwiese P 03 (20 beds - 0.06 hectares)
- Broadwiese P 04 (20 beds - 0.06 hectares)

The 'Orchards' section indicates 'No orchards created' and includes a '+ Add New' button. On the right side, a satellite map shows the physical layout of these fields, with a red location pin labeled 'Porrau' in the center. The bottom right corner of the app features a blue 'Hilfe' button and zoom controls.
